Ottawa, 29 March 2018

It is with great pleasure to convey my warmest greetings to all of you, both the organizers and the participants, who have gathered here in Toronto to celebrate the 2018 Finnish Canadian Grand Festival. It's the 78<sup>th</sup> FinnFestival and what better place to celebrate than in the city of Toronto – home to over 14,000 Finnish Canadians including both newcomers and second, third and even fourth generation Finns.

Celebrations are in order as FinnFestival quickly approaches its 80<sup>th</sup> anniversary, a respectable age for any event. It is admirable that the vibrant Finnish Canadian communities across Canada have been able to keep this tradition alive since 1940 when the first festival was organized in Sudbury. It must be the Finnish 'sisu' together with the traditional team spirit, known as 'talkoohenki' in Finnish that keep this event alive and evolving.

Last year was a special year for Finnish Canadians as both of their home countries celebrated jubilees. Independent Finland turned 100 and the Canadian confederation celebrated 150 year of existence. Now it's time to look ahead and see how we can make the next 50 and 100 years even better. I'm convinced that both countries will continue to thrive for years to come.

I look forward to attending the 78<sup>th</sup> Finnish Canadian Grand Festival this June and meeting many Finnish Canadians and other friends of Finland there.

Nähdään Torontossa!

*Vesa Lehtonen*

Vesa Lehtonen  
Ambassador of Finland

Dear organizers and participants of FinnFestival 2018,

Suomi-Seura ry/The Finland Society sends warm greetings to the organizers, guests and participants of the FinnFestival 2018 from Helsinki, Finland.

It is truly remarkable that the Finnish Canadian Grand Festival is now being held already for the 78th time. The long history of the festival shows how important you, Canadian Finns, consider your roots in Finland and keeping your Finnish heritage alive in Canada. It brings us a lot of joy to see that the ties between Canadian Finns and Finland are truly strong even today.

Your festival's versatile program so beautifully combines Canadian Finns' heritage and culture with the present day Finland. This cultural exchange will hopefully continue to be strong and vivid in the decades to come.

The 91-years-old expatriate Finns' organization Suomi-Seura ry and the 21-years-old Ulkосуomalaisparlamentti /The Finnish Expatriate Parliament, established at the initiative of Suomi-Seura, wish FinnFestival 2018 the best of success as well as continuous success to the Finnish Canadian Grand Festival and Canadian Finns.

Suomi-Seura ry/Ulkосуomalaisparlamentti  
The Finland Society/The Finnish Expatriate Parliament

Hyvät FinnFestival 2018:n järjestäjät ja osanottajat,

Lämpimät terveiset Suomi-Seura ry:ltä/The Finland Societyltä Helsingistä FinnFestival 2018:n järjestäjille ja osanottajille!

On todella huomionarvoista, että Kanadan suomalaisten suurjuhlat järjestetään nyt jo 78. kerran. Juhlien pitkä historia osoittaa, miten arvokkaita suomalaiset juuret ovat teille kanadansuomalaisille ja miten tärkeää suomalaisen kulttuurin säilyttäminen Kanadassa on teille. Olemme hyvin iloisia nähdessämme, että kanadansuomalaisten ja Suomen väliset siteet ovat todella vahvat nykyäänkin.

Juhlisen monipuolinen ohjelma yhdistää todella kauniisti kanadansuomalaisten perinteet ja kulttuurin nykypäivän Suomeen. Tämä kulttuurivaihto toivottavasti jatkuu vahvana ja elävänä myös tulevana vuosikymmeninä.

Jo 91-vuotias ulkосуomalaisten järjestö Suomi-Seura ry ja sen aloitteesta perustettu 21-vuotias Ulkосуomalaisparlamentti toivottavat erinomaista menestystä FinnFestival 2018:lle sekä jatkuvaa menestystä Kanadan suomalaisten juhlille ja kanadansuomalaisille.

## Let Us Celebrate in the Place of Plenty!

It is my great privilege and pleasure to welcome everyone to the 78th Finnish Canadian Grand Festival, FinnFestival2018 in Toronto. "Toronto" is known to mean "meeting place" but is also a native French word meaning "plenty" found in the Huron vocabulary since 1632. I wish you plenty of everything during your stay at this meeting place.

This year's festival offers plentiful expressions of the rich Finnish culture. That was made possible by the seamless and tireless efforts and commitments of dedicated people, committee members and volunteers.

I express my gratitude to all participants of different ages who wanted to contribute with their talents and expertise to the success of FinnFestival2018. Special thanks are extended to the Tyndale University who offered this magnificent facility for the FinnFestival2018.

It is my hope that the memories and old friendships renewed and new ones established in the 2018 Festival inspire our eager anticipation to attend the Finnish Canadian Grand Festival annually.

## Juhla-aika runsauden paikassa!

Minulla on suuri ilo ja kunnia toivottaa jokainen tervetulleeksi 78. Kanadan Suomalaisen Suurjuhlaan Torontossa, FinnFestival2018. Toronto tarkoittaa "kokoontumispaikkaa", mutta sana "toronto" löytyi v. 1632 myös kirjoitettuna ranskaa puhuvien Hunori-intiaanien sanavarastoon. Se merkitsee käännettynä "paljon". Toivon Toronton juhliin osallistujille paljouden runsautta kaikessa mitä koette.

Tämän vuoden festivaali tarjoaa rikkaan suomalaisen kulttuurin monipuolista ilmaisuja. Sen teki mahdolliseksi "yhteen hiileen puhaltaneiden" suunnitteluryhmän jäsenten, sen komiteoiden ja vapaaehtoisten väsymätön ponnistus festivaalin tavoitteen saavuttamiseksi.

Kiitän sydämeni pohjasta kaikkia "ikäluokkia" edustavia ohjelman suorittajia, jotka halusivat omilla lahjoillaan ja asiantuntijoina tukea FinnFestival2018:n onnistumisesta. Kiitän erikoisesti Tyndale-yliopistoa sen tarjouksesta käyttää tätä mahtavaa rakennusta FinnFestival2018:n toteuttamiseksi.

Toivon, että kokemuksenne sekä vahvistetut ja solmitut ystävyysiteet Torontossa innostavat odottamaan osallistumista Kanadan Suomalaisen Suurjuhliin tulevinakin vuosina.
